PROGRESS REPORTS

The progress reports on the following pages are designed to help you monitor your progress on the Lessons, Review, and Quizzes sections in *Victory for the ACT® Test* and *The Practice Book*. Complete the assigned items by the due date given by your instructor. Check your answers using the answer keys in Appendix A of the corresponding book*, and record both the number and percentage of items answered correctly on the *student copies* of the progress reports. Identify the date on which you completed each section. List the numbers of any items that you would like your instructor to review in class. Then, transfer this information to the corresponding *instructor copies* of the reports and give them to your instructor. Be sure to leave the last three columns of the *instructor copies* blank; these are for your instructor's use in evaluating your progress.

*Consult with your instructor to determine whether you will use Appendix A to complete the Lessons, Quizzes, and Review Progress Reports.
