# PRACTICE TEST REINFORCEMENT

## PROGRESS REPORTS

---

The progress reports on the following pages are designed to help you monitor your progress on the multiple-choice portions of the practice tests in the “Practice Test Reinforcement” part of the *Victory for the ACT Test* book. Complete the assigned items by the due date given by your instructor. The Directed Study Practice Test should be done *without* time restrictions; the explanations are included in the presentation of the exam. Practice Tests I–III should be done *with* time restrictions. Correct your answers using the answers and explanations in Appendix A of the *Victory for the ACT Test* book\*, and record both the number and percentage of items answered correctly on the *student copies* of the progress reports. Identify the date on which you completed each test. List the numbers of any items that you would like your instructor to review in class. Then, transfer this information to the corresponding *instructor copies* of the reports and give them to your instructor. Be sure to leave the last three columns of the *instructor copies* blank; these are for your instructor’s use in evaluating your progress. (Note: In the first column of each report, the numbering refers to the test sections and the page numbers refer to the locations of those sections in the “Practice Test Reinforcement” part of the *Victory for the ACT Test* book.)

\*Consult with your instructor to determine whether you will use Appendix A to complete the Practice Test Reinforcement Progress Reports.
