

PRACTICE TEST REINFORCEMENT PROGRESS REPORTS

The progress reports on the following pages are designed to help you monitor your progress on the “Practice Test Reinforcement” part of the Victory program, which is found in the *Victory Student Text* and *The Practice Book*. Complete the assigned items by the due date given by your instructor. Correct your answers using the answers and explanations in Appendix A of the appropriate book, and record both the number and percentage of items answered correctly on the *student copies* of the progress reports. Identify the date on which you completed each test. List the numbers of any items that you would like your instructor to review in class. Then, transfer this information to the corresponding *instructor copies* of the reports and give them to your instructor. Be sure to leave the last three columns of the *instructor copies* blank; these are for your instructor’s use in evaluating your progress.

*Consult with your instructor to determine whether you will use Appendix A to complete the Practice Test Reinforcement Progress Reports.
